

## USWSU AGM Proposal for African Snacks Provision

Description on the facts of the matter(The Union Note): I have an idea more unless like a proposal for USW students union concerning the upcoming freshers week and other events that May be coming up in the school.. During our freshers week no Nigeria or Africa snacks was offered , it was difficult for me to eat any of the snack served ...as a Nigerian i could not relate to any of the snack and I would be glad if I can be given the opportunity to make at least a common snack in any event coming up this new year for instance freshers week..

Description on what the students and the proposer believe (The union believe): It will be a great opportunity for the incoming students to feel more welcome to USW and other international students can have a taste of our local snacks.

Description outline of intended outcomes and needs as part of the policy(The union resolve): Having African style snack served at orientation programme of the school will give the African student the sense of inclusiveness and this will create a welcoming impression which will last forever in there heart It will always remind them of how the School thinks of them in every of its decisions and very much has their interest at heart I will be glad if this can be put into consideration so I can submit a formal proposal to the student Union.
